

New Vistas' Discovery After Care Program

New Vistas' Discovery After School Program will be held in Building E, which is located east and north of our office area (just east of the large playground). This program is offered to our Registered Preschoolers through 6th Graders from 3:00 to 6:00 pm. Parents can choose from a one, two or three hour monthly plan.

Students will have an opportunity to participate in many different activities which will include:

- Staff facilitated 'hands-on' activities
- Creative play
- Puzzles
- Arts and crafts
- Homework time
- Outdoor play
- Games that encourage strategy and logic and reasoning
- Snack (family provided: due to allergies, food preferences)

All activities will be supervised by New Vistas Staff Members and held in a structured, safe, environment. This program is helpful to parents that require extended hours beyond the regular school session.
